Summer Fun @ Your Library

The Canton Public Library is your headquarters for summer fun with reading, programs and events to keep your whole family entertained. Look inside for details on summer reading for kids, tweens, teens and adults, complete with great prizes and lots of options to make it work for you.

Check the calendar for programs designed to get you out of the house and having fun without blowing your vacation budget. Many of our programs are all-ages so you can bring the whole family to the same program and have a great time making crafts, doing tie dye or playing video games together.

Take advantage of the Museum Adventure Pass and visit some fantastic local museums and attractions on the cheap. Our passes are good for two or four admissions, depending on the attraction, and can be checked out for one week.

Summer Reading is sponsored in large part by The Friends of the Canton Public Library. Friends President Peg Britz says "Supporting reading opportunities and services at the library is one of the Friends of the Library's biggest goals. Summer reading is so popular with people of all ages, it's an excellent way to help the community. While you are at the library, please remember to visit us at Secondhand Prose, right next to the Internet Lab. Donations of used books are always accepted too."

Keep this newsletter as a guide to all the fun events at the Canton Public Library this summer, beginning with sign up on June 15.
